ABOUT US

Noosa Riviera welcomes you. Our spacious, comfortable apartments on Noosa Sound, are within easy reach of Hastings Street, Laguna Bay, Gympie Terrace and the Noosa River. Beautiful Munna Beach, where you can fish, swim or lie in the sun, is literally at the end of the Street.

Generous, sunny, private balconies look out to the north to tranquil park views with the river beyond. Some apartments have views over Weyba Creek.

We are a small, quiet and restful resort.

You can choose to enjoy your apartment as a one, two or three bedroom, with one or two bathrooms all tariffed accordingly. Our penthouse apartments have spectacular private roof terraces with spas. You can stay as long as you like, many of our guests make Noosa Riviera their home away from home.
